Policy	eLVMS section	Paragraph
	Automatic Pilot	
	Operations > Ship Operations > Marine Operations > (Navigational Operations)>Use of Electronic Chart and Display System (ECDIS)	
	Operations > Ship Operations > Marine Operations > (Navigational Operations)>Use of Stabilisers	
	Operations > Ship Operations > Marine Operations > (Navigational Operations)>Voyage Planning	
	Operations > Ship Operations > Marine Operations > (Navigational Operations)>Watchkeeping in Port	
Recording the Nationality of Passengers	Operations > Ship Operations > Ship Administration > Passenger and Crew Manifest	
Common Elements of Musters and Emergency Instructions	Operations > Ship Operations > Ship Passenger Management > Passenger Musters and Abandon Ship Drills >	2 - Advice to Passengers
Excess Lifejackets	Operations > Ship Operations > Ship Passenger Management > Passenger Musters and Abandon Ship Drills >	5 - Excess lifejackets and location of lifejacket stowage (for CLIA affiliated vessels only)
Passage Planning	Operations > Ship Operations > Marine Operations > (Navigational Operations)>Voyage Planning	Whole section
Bridge Access	Operations > Ship Operations > Ship Administration > Shipboard Management>	13 - Bridge, Galley and Engine Room Access by Personnel Without Operational Functions
	Operations > Ship Operations > Marine Operations > (Navigational Operations)>Navigational Safety - Bridge Team and Resource Management	11 - Bridge Conditions Green / Yellow / Red -form SAF122 "Bridge Conditions"
Passenger Muster	Operations > Ship Operations > Ship Passenger Management > Passenger Musters and Abandon Ship Drills>	1 - Conduct of Passenger Musters

CLIA Safety and Environmental POLICIES
Included in the electronic Leisure Vessel Management System (eLVMS)

Policy	eLVMS section	Paragraph
Lifeboat Loading for Training Purposes	Operations > Safety Management > Safety Equipment & Maintenance > Lifesaving Appliances (LSA), Tenders & Zodiacs and related Planned Maintenance>	4 - Boat Training
FIRE PROTECTION		
Installation and Use of Local Sounding Smoke Alarms	Operations > Ship Operations > Fire Precautions and Fire Fighting>	8 - CLIA (Cruise Lines International Association) Fire Safety Policies
Water Mist Fire Suppression Systems	Operations > Ship Operations > Fire Precautions and Fire Fighting>	10 - Water Mist Fire Suppression System
Fire Protection Measures for covered mooring decks	Operations > Ship Operations > Fire Precautions and Fire Fighting>	9 - Fire Protection Measures for Covered Mooring Decks
SHIPBOARD SECURITY		
Reporting of Crimes and Missing Persons	Operations > Ship Contingency Procedures > Emergency Procedures	1 - Missing Person Routine
	Ship Security Plan	
Safeguarding Children in Youth Activity Centers	Operations > Ship Operations > Ship Passenger Management > Passenger Musters and Abandon Ship Drills>	3 - Crew members in charge of children at the time of a general emergency
Security Incidents	Company > Security Policy	
	Ship Security Plan	
ENVIRONMENTAL PROTECTION		
Waste Management Practices and Procedures	Company > Environmental & Conservation of Energy Policy	Whole sections
	Operations > Environmental Management > Waste Stream Management Practices and Procedures	
	Operations > Environmental Management > Garbage Management Plan (MARPOL Annex V)	
	Operations > Environmental Management > Wastewater	

CLIA Safety and Environmental POLICIES
Included in the electronic Leisure Vessel Management System (eLVMS)

Policy	eLVMS section	Paragraph
	Management (MARPOL Annex IV)	
HEALTH		
Medical Facilities	Operations > Ship Operations > Ship Medical Operations > Medical Centre - Pharmacy and Equipment	4 - Medical Stores and Equipment
Public Health (General Pre-Boarding Health Screening)	Operations > Ship Operations > Ship Crew Management > Crew Policies>	1 - Medical Fitness -forms: C105A/B "Medical Certificate for Service at Sea", MED21 "Health Declaration for Joining Crew Members"
OTHER		
Anti-Corruption Principles	Company > Ethical, Business Conduct & Media Policy	
	Company > Ethical, Business Conduct & Media Policy > Ethical, Business Conduct Procedure>	6 - Anti Bribery and Corruption Practices
