

ONBOARD PUBLICATIONS LIST

The following publications should be held on board.

An inventory of all publications should be updated at least every 6 months.

The number of copies, the edition and the location of each publication held on board should be entered in the appropriate column.

The publications may be carried in the form of electronic media in lieu of hard copies, however those for emergency use, such as the International Code of Signals and the IAMSAR Manual shall always be available in the form of hard copies.
